

Noontime Exploratory Program

What is Noontime Exploratory Program?

It is an activity for students to participate in during certain Friday's of the year, during their lunch period. These activities will last approximately 15-20 minutes and are loads of fun!!! All activities will require a small fee to cover the cost of the materials being used.

There will be some new activities along with the return of some old favorites such as, Catz training, cookie decorating, water play and ice cream making.

Please fill out the backside of this form. Return the form along with a check for the total amount of events your child will participate in. Make check payable to "Huntington PTA".

Make sure you mark your calendar for the events that you chose.

We look forward to a fun year with your children.

Thank you,

Yvette Nikoui-Smith and Ashley Tsao
Noontime Exploratory Program Chairpersons

To Sign Up:

Circle the activities your child would like to participate in. Please write a check for the total amount due for all activities to "Huntington PTA" and return the form to the office by Friday, September 4th. A reservation is necessary so that we can order the correct amount of supplies. Any paid activities missed will not be refunded but considered a donation.

Noontime Exploratory Program
