

Please Support our Students and Schools!

In San Marino we expect excellence in our public schools. As parents of school-age children, you are familiar with the strengths of our public schools. Our District has been ranked number one in the state for the past several years, as measured by the Academic Performance Index (API). Your contribution to the Foundation's Annual Campaign makes it possible for our schools to maintain their high educational standards.

With the unpredictable and wildly fluctuating nature of State funding for our School District's budget, the difference between mediocrity and excellence is our parents' commitment to supporting our students and schools through the San Marino Schools Foundation. Without the generous support of our parents and community members, the District would have had to eliminate or reduce key teaching and staff positions.

The District depends upon the Schools Foundation to raise an additional \$1,000 per student in order to run its excellent programs. The Foundation's Annual Campaign pledges a minimum of \$1,000,000 to the District's operating budget, the equivalent of approximately 18 teaching positions.

We urge you to invest in our children and our schools by writing a check to the San Marino Schools Foundation. We suggest a tax-deductible donation of \$1,000 per student. For your convenience, donations can be made in monthly or quarterly installments.

Please do your part. Your children are counting on you.

Thank you for supporting San Marino Schools!
