

# SMHS CHOIR PATRONS

2009-2010

Dear Parents,

I am writing in hopes that you might contribute to the continued growth of our SMHS choirs by becoming a Patron and providing support in whatever capacity you can: time, money, talents.

Let me take this opportunity to thank you for the critical role you will play in supporting all students' opportunities to participate in Choir. I am so excited to be working with both new and returning students to showcase their talents at venues throughout the state at festivals, competitions, and concerts – and bring well deserved attention to these talented kids, and to the San Marino School District. We have a busy time ahead, and much will be expected of my choirs this year. My philosophy is that, by selecting material that are challenging, and inspiring kids to aim high, they can achieve goals they never thought possible – while having a lot of fun at the same time. I need your help to make our program the best that it can be.

Being a **Choir Patron** serves as support in several ways:

- Donations help defray travel costs for students experiencing financial need, as it is my philosophy that all students are expected and supported to participate as a group. They also defray some expenses associated with our Holiday and Pop Concerts (program printing, sound system rental, etc.)
- Supporters serve as volunteers on trips and festivals.
- You provide invaluable support to me facilitating my program by communication of activities, events, schedules, providing feedback, etc.

I always am amazed at how much you parents provide support to me and this program. I love to work with your kids, and I very much appreciate your support again this year. **Please consider supporting our Choirs by being a Patron donor now.**
