

Without Angels

The SMHS Drama Program depends on our loyal patrons to support our talented students.
Help us continue the legacy of excellence by becoming a Drama Patron.
Be an Angel!!

The SMHS Drama Department 2009 - 2010 Season: *The Crucible, Frosh-Soph, ComedySportz, Showcase*

Our 2008–2009 Drama Patrons made possible a very productive and exciting last season! Drama Teacher Blake Williams exceeded expectations, expanding our program to include *ComedySportz*, in addition to producing two full dramatic performances: *Out of Sight*, *Out of Murder* and *Don't Drink the Water*, five One-Act Plays, two Original One-Acts and our annual musical. We are proud to share that *The Pajama Game* won four awards at the recent 2009 JRAY Competition! To top it off, we added six new intelligent lights and repaired/purchased other fixtures to make us one of the best theatrical facilities in the area!

Our upcoming 2009 – 2010 Season promises even more! In October, SMHS will host this year's Southern California's *ComedySportz* League's Game Conference. All SoCal teams will descend on San Marino for an exciting day of performance and fun. Our talented crew will be staging *The Crucible* in November and adding an Advanced Drama Showcase in the spring. In addition, we will be competing at and attending several festivals including the Southern California Thespian Festival.
